

# **SURAJ M P**

+91 8792376091 | [surajmp045@gmail.com](mailto:surajmp045@gmail.com) | Bengaluru

## **OBJECTIVES**

To secure a job in a reputable organization to utilize my skillset to deliver value added results and enhance my knowledge which would result in mutual growth.

## **EDUCATION**

Shree Devi Institute of Technology, Mangalore

CGPA: 8.46

BE – Computer Science and Engineering

2021 – 2025

Chakravarthy PU College, Kadur

81.66%

2019 – 2021

## **TECHNICAL SKILLS**

Python, C basics

HTML, CSS, JavaScript

React JS, UI/UX

## **PROJECTS**

### **Interactive-resume-Template**

- An interactive resume template is a modern, digital format that allows you to showcase your skills, experience, and portfolio in an engaging, clickable, and visually appealing way.
- It enhances user experience by incorporating multimedia elements like links, videos, and interactive sections.

## **Audio and Video Chat -React JS, Express JS**

- Creating an audio and video chat application using React Js represent a model approach to build interactive communication rule
- React is used to build an dynamic and responsive user interface

## **Tour's and Travel Management System - PHP, MySQL**

- Created a user-friendly admin page within the tour and travel management system and designed a responsive web page using HTML, CSS, JavaScript.
- It's a digital solution that modernizes how tour and travels operate.

## **Arecanut Classification Using Deep Learning**

- Developed a deep learning model using Convolutional Neural Networks (CNNs) to classify arecanut quality and diagnose diseases from images of arecanut, leaves, and stems
- Implemented an image upload feature to provide users with disease status, quality classification, precautionary measures, and visual data representation through interactive graphs
- Enhanced model performance by applying dataset preprocessing, augmentation, and hyperparameter tuning, achieving high accuracy in predictions
- Integrated dynamic graphs and analytics to visualize disease trends and classification metrics, helping farmers make informed decisions effectively

## **INTERNSHIP**

Varcons Technologies pvt. ltd, Bangalore – Full Stack Web Development Intern (May 2023 – June 2023)

## **ACHIVEMENTS**

- Successfully completed an internship at Varcons Technologies pvt. ltd. on June 2023, as Full Stack Web Development Intern.
- Received award for outstanding UXUI design contributions to Shree devi institute's national level college fest website.
- Successfully participated and achieved a ranking in the SANKALP'24 “Web Wiz” organized by “coders nexus” in Shree devi Institute of technology.

## **LANGUAGE AND INTEREST**

- Language: English, Kannada, Hindi, Marathi.
- Soft skill (Professional skills): active listening, Adaptability, problem-solving, Time management and clear communication.
- Interests (hobby): Sports, Pencil Sketch, Traveling.

## **DECLARATION**

I hereby declare that all the above information is true to the best of my knowledge and belief.
